

A Musical Example in Sagittal Notation

Keenan & Secor

The image shows a musical score in Sagittal notation, consisting of two staves. The notation includes various symbols such as stems, beams, and dots, along with numerical annotations (integers) placed above and below the notes. The score is organized into measures, with some notes grouped by beams and others by brackets. The numerical annotations are as follows:

Staff	Measure 1	Measure 2	Measure 3	Measure 4	Measure 5	Measure 6	Measure 7	Measure 8	Measure 9	Measure 10	Measure 11	Measure 12
